What We Do & How We Do It

Tickets for Kids® Charities (TFK) is dedicated to enriching the lives of low-income and at-risk children and their families by providing access to the artistic, cultural, educational, sports and recreational opportunities that inspire them to think creatively, discover their talents and passions, and dream without limits.

We distribute donated tickets across the U.S. through more than 3,400 vetted and trained social service agency partners. Do you know of a nonprofit agency serving the kids we're trying to reach? Tell them about us so they, too, can benefit from the TFK network!

“One visit, one performance,
one touch, and who knows how you
could spark a child’s imagination.”

— MICHELLE OBAMA

Testimonials

A SENSE OF BELONGING IN THE COMMUNITY

"Thank you for giving us the opportunity to go ice skating. It means a lot to know that someone who doesn't even know me cares. I've never experienced anything like that before—feeling normal and included in society, not being judged. It felt amazing to know that people can trust me and see me for the person I'm changing into. It makes me want to just keep on changing the way I am for good and see how much more I can do with my life ... how far I can go and succeed."

FOSTERING FUTURE ASPIRATIONS

"As a social service agency, it's often difficult to spark a kid's interest. Through Tickets for Kids, we get to take our kids to all kinds of events, and when something strikes a chord – a theater production, a science exhibit, a ballgame – we can then foster the development of that interest while engaging them in their academic success. Tickets for Kids plays a leading role in the impact that we are able to achieve."

ACCOUNTABILITY IN ENGAGEMENT

"We very much want to provide opportunities for those with limited financial means to access our cultural resources. By doing this through Tickets for Kids, we can ensure that the opportunities we provide are reaching the audience for which they are intended, through TFK's extensive network of vetted social service agencies."
